Persistent

100 words

Stay at the forefront of design with Autodesk® AutoCAD® software, one of the world's leading CAD applications. Create stunning 2D and 3D designs with innovative tools that are always up-to-date and can produce almost any shape imaginable, delivering a personalized design solution. Simplified documentation features help you share precise drawings with ease. Work across connected desktop, cloud, and mobile solutions, all with the reliability of TrustedDWG™ technology, the original and most accurate way to store and exchange design data. Connect everywhere, design everywhere with AutoCAD.

Keep moving forward with the new features in Autodesk® AutoCAD® 2017 software. Create stunning designs and improve collaboration with innovative productivity tools. Manage all of your software updates with ease using the Autodesk® desktop app. With just two clicks, you can share your drawing views with collaborators by publishing them to the cloud. Import the geometry from a PDF file into your drawing as an AutoCAD object, and utilize powerful new tools to create and edit centerlines and center marks. And you can take the power of AutoCAD with you wherever you go with an easy-to-use mobile app.
